

On The Subject of Morse Code

Interpret the signal from the flashing light using the Morse Code chart to spell one of the words in the table. Once the word is identified, set the corresponding frequency and press the transmit (TX) button.

Ask for only the first three letters in Morse.

----						----	----	----	...			-	----	
B						F	H	L	S			T	V	
·	··	--		---		flick	halls	leaks	----	----	-		trick	vector
E	I	O		R		555	515	542	H	L	T		532	595
beats	bistro	--	----	·	··				shell	slick	·	··	---	
600	552	M	X	E	I				505	522	E	I	R	
		bombs	boxes	break	brick						steak	sting	strobe	
		565	535	572	575						582	592	545
